DATE.....

(see on back)

**THE CITATION:**

**Summary (not more than 20 words - please type)**

---

**Full citation (not more than 100 words - please type)**

*[Note: Application to the award is open to any young person of age forty years and below; and the young person should already be an ACA Member at the time of application. The award seeks to recognize outstanding education efforts in Control Systems Engineering from amongst the younger generation, and it also serves as an impetus to encourage more young persons to identify with us as ACA Members. Up to two ACA Temasek Young Educator Awards will be presented every ASCC year, with each Award valued at US\$500.]*
